

Subject : School lunch service new regulations

In order to grant a complete information and start the new school year properly, will you kindly take in great consideration the following notes :

- Registration for school meals must be carried out anyway in scheduled times. The registration will be confirmed only if the payments are regular
- school lunch service is ruled on a pre-paid base therefore the balance must be always positive.

Those who do not comply with the payments will not receive the school meal.

With the intention of meeting families needs, a delay of 5 meals will be granted while the sixth defaulting meal will result in the immediate suspension of the service.

The SERVICE WILL BE REINSTATED THE DAY AFTER THE PAYMENT IS MADE.

An alert service will be activated every Friday for the entire school year for those who have a negative balance between 1 and 3 meals but at the same time families are invited to verify the credit of their cards by accessing the portal dedicated to 'school meals' Comune di Limbiate, where the data is updated in real time.

Finally we remind you that the methods of payment are unchanged :

Sportello Unico al cittadino – Via Monte Bianco 2 (Comune)

monday – wednesday from 9.00 to 19.00

tuesday – thursday from 9.00 to 13.00

friday - saturday from 9.00 to 12.00

(only card payment accepted)

Usual payment points (list available on Comune di Limbiate web site
